

LOGIKA MAILER III

NEW GENERATION MATCH MAILER

The all-new Match Mailer III is designed to be the most reliable match mailer on the market.

Based on the very reliable Mailer II, the Logika Mailer III utilises the same modular design as the LC2000 series to enable easy connection to these personalisation systems. The Mailer III also features a refined label attachment technology for fixing cards to carriers.

With an ease of use and a throughput of 1500 cards per hour, the Mailer III will cope with the most demanding jobs.
